

Blue Ridge Music Festival Adds More VIP Tickets

*Additional VIP Experience Tickets for the Entire Weekend
Added Due to Popular Demand*

For Immediate Release – May 13, 2015

Due to the demands of country music fans, the Blue Ridge Music Festival is pleased to announce that it is once again offering VIP tickets to this year's festival on May 30-31. This extremely popular ticket option sold-out in March.

"The VIP tickets were popular the past two years, but the demand for them this year has been unprecedented," says Carey Harvey Cutter, Salem's Director of Tourism. "When we stopped the sale of this section back in March, we had no idea so many festival goers were still interested in this option. We're thrilled that we've been able to expand the VIP section and once again offer this excellent package."

These two-day VIP tickets are available in limited quantities for \$169.50 and they offer fans their choice of reserved bleacher seats or VIP field access. All VIP packages also include VIP bathrooms, an express entry gate, a parking pass, access to a private bar and free bottled water and soft drinks, along with a souvenir t-shirt and poster. The VIP package can only be purchased through www.ticketmaster.com

The Festival, which was recently named one of the top spring festivals nationwide, will begin each day at noon with the Salem Stadium gates opening at 11 a.m. each morning. For more information on the VIP package, other ticket options, artists, the venue and fan guidelines for the Blue Ridge Music Festival visit: www.blueridgemusicfestival.com
